### Suggested Partnership Activities

The following partnership activities are a guide. Activities may not necessarily occur in this order, and they may be repeated as needed.

- Partner School conducts a self-assessment [for example, SET, Implementation Checklist(s), Benchmarks of Quality, and the like].
- Partner School PBS Team and Model School PBS Team meet independently to determine their desired partnership outcomes.
- Partner School PBS Coach(es) and Model School PBS Coach(es) meet to determine their desired partnership outcomes.
- Partner School PBS Team and Model School PBS Team meet to jointly plan partnership activities and provide targeted guidance for PBS implementation.
- Model School PBS Team and Partner School PBS Teams visit one another's schools.
- Model School PBS Team shares PBS materials and products as exemplars.
- Model School PBS Team assists Partner School PBS Team in ongoing action planning.
- Model School PBS Team and Partner School PBS Team engage in joint professional development or technical assistance opportunities.
- Ongoing technical assistance, coaching, and facilitation occur between the Model School PBS Team and the Partner School PBS Team.
